

SLAB TABLE 200CM

Celebrating the natural beauty of oak, Slab is constructed in angular forms of inviting simplicity. Each piece has generous proportions, solid materiality and is softened with a gentle radius edge. Slab is made from solid oak, sourced from sustainably managed forests. The surface of the wood is deeply brushed to expose its natural grain. Slab tables come in different shapes and sizes.

Year of Design	2006
Product Weight	55.00kg
Certification	BS EN 15372: 2016 Level 2

BLACK
