

A recent survey by the IAPP and FairWarning found that in the past 3 years:

50%

of privacy and IT professionals

reported one or more data breach

67%

of privacy and IT professionals

documented one or more privacy incident

CCPA
enforcement begins
July 1

The CCPA imposes civil penalties of up to:

\$2,500

per violation

\$7,500

per intentional violation

×

MILLIONS

of California residents

↓

SUMS LARGER

than FTC's

\$5 BILLION

settlement with Facebook
