

Kick-start your FY25 growth with Copilot for Microsoft 365

Three actions to take now

Get the assets

In 2021, Microsoft donated more than \$3 billion in technology discounts and grants to more than 300,000 nonprofits. In 2022, we pledged to double the number of nonprofits we serve within five years.*

To continue to build innovative AI-enabled solutions, we need to help these organizations understand how artificial intelligence (AI) can benefit them, so we all rise together. Microsoft partners like you can help lead them to a safe, responsible path to AI with these resources:

- [Empower nonprofits](#) to accelerate mission outcomes with Copilot for Microsoft 365.
- Lead with Copilot and security offerings to help drive new customer

acquisition with this [Copilot success kit](#).

- Download the [Securing Copilot for Microsoft 365 in Microsoft 365 for Business](#) presentation to drive conversations about security improvements and how to upsell to Microsoft 365 Business Premium.

Or help prospective customers learn more about [security](#) and [Copilot with commercial data protection](#).
